Data Protection Policy Statement

Personal data relating to members of the society is stored within a secure electronic database. The only data held is that data which has been provided by individuals as part of the membership/attendance application or renewal process.

Access to information within the database is restricted to authorised members of the committee in order that they may perform their duties for the benefit of the society members.

The database is maintained and regularly updated to ensure the accuracy and security of the data.

Members wishing to change the information held about them within the database may do so by writing to the Secretary Jeanette Houghton.

The data held in respect of the individual members will not be shared with other organisations without their specific consent.

Unless instructed otherwise, data will be held for a period of 36 months from the date of an individual's membership of the society being terminated.

Any changes to the data protection policy and this policy statement will be communicated to members.

This statement is published in accordance with the requirements of the Data Protection Act 1998 and the General Data Protection Regulations 2018. Any questions in respect of this statement should be addressed to The Secretary Jeanette Houghton.
